

CREATED FOR CONNECTION

Crosspoint Church and Revision Christian Counseling
HOLD ME TIGHT®/Created for Connection **workshop for
CHRISTIAN COUPLES** this **February!**

The *Created for Connection* workshop is simple:

Forget about learning how to argue better or analyzing your early childhood. Instead, **get to the emotional underpinnings of your relationship** by recognizing that you are attached to and dependent on your partner in the same way that a child is on a parent, and that we are on our Heavenly Father. The way to **enhance and protect our relationships** with each other (and with God) is to be open, attuned, and responsive and to reestablish a safe emotional connection.

This unique workshop is based on the new book *Created for Connection: The "HOLD ME TIGHT" Guide for Christian*

Couples by Dr. Sue Johnson, which is rooted in Emotionally Focused Couples Therapy (EFT). The research into EFT shows that learning how to become emotionally responsive to each other is the key to a safe, healthy, and stable relationship.

Join us for this workshop — it is bound to be enriching and enlightening for all Christian couples!

The Bible is a beautiful love story...

... a **story about God in pursuit of His bride**. We are the bride of Christ. God created us to have a relationship with Him and with others. **God's very nature is relational**, and we see this in the relationship of the Trinity — Father, Son, and Holy Spirit. The *Created for Connection* workshop helps shed light on why we get disconnected in our relationships and **HOW** to find that connection again. **This workshop helps couples feel a strong bond of love and security with one another, even in the midst of the everyday demands.**

This workshop helps couples answer the question: "Are you there for me?"

A.R.E. you: **Accessible, Responsive, Engaged?**
